

# Word Puzzle Pictures Practicing Rhyming OR Beginning Sound Recognition

These puzzles DO NOT MEET TO BE CUT OUT!  
This is a simple way to practice phonemic awareness. Each puzzle set contains a picture that rhymes with the top picture AND a picture that starts with the same beginning sound as the first picture. It is YOUR choice to decide what you want to focus on.

Simply decide rhyming or beginning sounds, have your child say the name of each picture and then direct them to find the picture that rhymes or the picture with the same beginning sound and then have them put a clothespin on the correct picture.
